71. Base MSRP excludes manufacturer and dealer options, taxes, title and license, dealer fees and charges, and the Delivery, Processing and Handling fee (DPH) of \$1,295 for IS, ES, RC, RC F, UX, NX and RZ and \$1,450 for LS, LC, RX, TX, GX and LX, which is subject to change at any time. Dealer price will vary.

72. Based on your ZIP Code, below are special pricing, finance or lease offers that are available for specific Models/Trim for a limited time in your area.

73. This is the negative net trade in balance, which occurs when your existing vehicle payoff exceeds the sum of the value of the trade in.

74. Optional accessories are selected by you and are included in Other Amounts Financed. Dealer Installed Accessories are included in the

price of the vehicle. Please see your Dealer for pricing. Prices and product availability are subject to change without notice.

75. Protection products are optional and not required to obtain credit. Not all products are cancelable; refer to individual protection product agreements' terms and conditions or ask your dealer.

76. Estimated Net Amount Due equals the Vehicle Selling Price including estimated Taxes and Fees plus any protection products minus applicable Incentives and/or Rewards and the Net Trade-In value. The pricing system gives you the ability to toggle the displayed estimated payment to either include or exclude the taxes and fees (including but not limited to title, license, registration, documentation and other dealer fees) that will be owed by you.

77. Financing through your Lexus dealer and their applicable lender is required for certain cash offers. In the estimation, this cash offer has been applied to the down payment. Limit one rewards per finance transaction. No cash payment will be made to consumer.

78. A special rate is a non-standard rate with specific eligibility requirements that may be limited to certain models or may include programs offered to qualified customers. Amount financed, down payment amount, term and credit worthiness may impact eligibility. Eligibility is subject to verification. Dealer contribution may vary and could affect price. Individual dealer prices, other terms and offers may vary. The special rate may not be the lowest available rate. Consult with your dealer for more information.

79. Vehicle Selling Price is the vehicle price, as determined by your dealer and includes Delivery, Processing and Handling, and any manufacturer or dealer installed accessories or equipment.

80. Your ZIP code is used to confirm available offers and to calculate estimated taxes and fees and is connected to the selected dealer.

81. Terms shown reflect potential savings based on trade-in value, rebates, government incentives and additional cash. Actual savings will vary if your trade-in value is only an estimate or you do not qualify for rebates, government incentives or additional cash.

82. A Standard Rate is a rate and term not eligible for incentives or marketing support that may be offered by the manufacturer, the distributor, the finance source, the dealer or other source.

83. MSRP + DPH includes manufacturer options and Delivery, Process and Handling fee (DPH), which may be subject to change at any time. Excludes taxes, title, license and dealer options, fees and charges. Dealer price will vary.

84. Total of Payments is comprised of monthly payment times the term.

85. Dealer Price Adjustment is the price adjustment, as determined by your dealer, from MSRP + DPH to Vehicle Selling Price.

86. Owed on trade-in is the estimated amount that you still owe on your trade-in vehicle.
